

Edmunds Elementary Afterschool

Explore - Connect - Empower

SESSION 2
Enrollment Due:
THURSDAY 3/12!

Session 3 Enrollment Spring 2020

Student Name: _____ Grade: _____

Please help your child select their **first (1) and second (2) choices of classes**

Monday

Tuesday

Build it! (Gr. K-2)

Put on your thinking cap and get building! This engaging STEM activity will challenge you to use a variety of materials to create incredible structures. We can build boats that float, bridges that hold weight, and more!

Instructors: Ms. Kate, Ms. Gertrude

Be - Outside - Kids (Gr. K-2)

Springtime in Vermont is a can't-miss. Join Ms. Ruth and Ms. Cate for endless outdoor fun on the field, playground, and beyond.

Instructors: Ms. Ruth, Ms. Cate

Soccer Sparks (Gr. 3-5)

Spark passion for the world's most popular sport through non-competitive skill building techniques lead by a professional coach!

Instructors: Coach Drago, Mr. Tucker,

Pottery at BCA** (Gr. 3-5)

Visit the BCA Studios on Pine Street to learn the art of wheel throwing with an experienced artist.

This is a six week program with limited space!

Instructors: Ms. Dorothee

Game Club (Gr. K-5)

In this club, join friends to strategize and play against each other in favorite board and card games such as Pokemon (bring your own cards), Magic the Gathering, Catan, and more!

Instructors: Mr. V

Yoga (Gr. K-2)

Calm your mind, stretch and relax. Let's come together in a safe space to come back to our bodies and center our mind.

Instructors: Ms. Gill, Ms. Shaina

Treasure Hunters (Gr. K-2)

Put your detective hats on to explore the school campus on exciting treasure and scavenger hunts.

Instructors: Ms. Kate, Ms. Gertrude

Crafty Creations (Gr. K-5)

Your imagination is the limit when it comes to these crafty creations! We will use paint, glue, clay, strings, wires, beads, gems, found objects, you name it, it's art!

Instructors: Ms. Ruth, Ms. Emily

Juggling and Circus Arts (Gr. 3-5)

Learn how to toss and catch! This program will show you how to build hand-eye coordination, build confidence, impress your friends, and introduce you to the greater circus education.

Instructors: Mr. Austin, Mr. Ethan

Petra Cliffs **(Gr. 3-5)

Challenge yourself to climb to greater heights and cheer on your friends at local Petra Cliffs!

Instructors: Ms. Dorothee, Mr. V.

**This activity will be going off-site and will return by 5:30pm. Do not register for this program if that will be inconvenient for your family.

Wednesday

Explore Burlington! ** (Gr. K-2)

Let's explore what makes Burlington so special. We will dive into community organizations such as The Fletcher Free Library, the Fire Station, City Market, and other community cornerstones.

Instructors: Ms. Ruth, Ms. Emily

Mad Scientists (Gr. K-2)

In this class you will explore chemical reactions that produce surprising results: your concoctions might change temperature or color, bubble, fizz, or maybe even glow!

Instructors: Ms. Cate, Ms. Gertrude

Woodworking (Gr. 1-5)

With the help of Sawmill Studios, students will work hard to learn and improve their sawing, hammering, and building skills. They will use their creativity and knowledge to build tool boxes, bird houses, and other useful structures to take home.

This is a six week program with limited space!

Instructors: Sachi, Stuart & Mr. V.

Culture Club (Gr. 1-5)

Explore the cultures of our community through music, language, dance, and clothing. Let's share, explore, and create art to make our special cultures come alive!

Instructor: Ms. Gill

Minecraft (Gr. 3-5)

Do you love the game of Minecraft? In this class you will be given access to our private world. Returning players can continue to craft the world they started and new players can begin to craft, build, and explore.

Instructors: Mr. Tucker, Ms. Killian

Thursday

Soccer Sparks (Gr. K-2)

Spark passion for the world's most popular sport through non-competitive skill building techniques lead by a professional coach!

Instructors: Coach Drago, Ms. Emily C.

Cozy Club (Gr. K-2)

Get cozy in afterschool this Spring! Student's ideas will help make this club magical. Possibilities include spa day, pajama day, or a hot cocoa and tea party.

Instructors: Ms. Andrea, Ms. Ruth

Dungeons and Dragons (Gr. 1-5)

Join Mr. Andrew on an imagination adventure where your fate will change at the roll of the dice! No experience necessary.

Instructors: Mr. Andrew, Ms. Emily P

Outdoor Adventures (Gr. 3-5)

Springtime in Vermont is a can't-miss! Get outside with Ms. Killian and friends to play your favorite games around the school grounds.

Instructor: Ms. Killian

Cooking (Gr. 2-5)

Join Chef Dusty and cook up something special in the big kitchen! Learn about local food and cuisines from around the world with our favorite professional chef!

Instructors: Chef Dusty, Ms. Shaina

Explore Burlington! ** (Gr. 3-5)

Let's explore what makes Burlington so special. We will explore places in our community that peak student interest. This group will be offsite most of the afternoon.

Instructor: Ms. Dorothee
