Hello Families!

I wish you all a holiday break that brings you peace, relaxation, and time with friends and family. Hopefully, the winter weather will afford us some decent snow for some great skiing, boarding, snowshoeing or any number of other winter activities. I had the extreme pleasure of sledding down the infamous EES sledding hill during recess this week and had a blast! In fact, I'm heading to Costco over the break to purchase even more sleds! On a personal note, I know my own family is looking forward to building our first Vermont snowman! I wish you peace and joy this Holiday season. Be safe, be well. Happy New Year. - Mr. Snellenberger
