Hello Families!

Winter in Vermont has finally arrived and we're having lots of fun at recess on our amazing sledding hill! I want to remind our families that we don't allow students to go sledding if they don't have the appropriate clothing, because they get too wet! A natural consequence of forgetting their winter "gear" is to miss sledding with their friends; that said, children are forgetful and need to have help checking their "equipment" before leaving the house or car in the morning. PLEASE help us, help them! Gentle reminders are always appreciated.

Mr. Snellenberger

HELP NEEDED FOR FINE ARTS NIGHT

The music program could use some help for fine arts night. I need three adults: someone to run the sound board, the light board and take video of each performance for our web page. Don't feel intimidated by the tech jobs, I've trained fifth graders successfully! Reach out to enolan@bsdvt.org if you can help!

Thanks - Betsy Nolan, EES Music Educator
