A Message from our Principal -Kolby Snellenberger

Hello Families!

As the weather improves, we are seeing more bikes and scooters coming to school. We love that our community is participating in active transportation!

Keeping everyone safe is always a priority, so please help us remind your child to dismount and walk their bikes and scooters while on school grounds. In addition, please refrain from brining your dogs onto campus during drop-off or pick up times. Doing so, causes a lot of excitement and dis-regulation for others. Your cooperation is greatly appreciated.

Thank you all! And most importantly, I want to wish you and your family a safe, FUN and Happy Spring Break!

In partnership, Mr. Snellenberger

Have you Completed the Family Restorative Culture Survey?

If not, could you please take a moment to provide us with your feedback on our use of restorative practices. This information helps us understand our progress on our 5 year strategic plan. Won't you please take a moment and complete the Restorative Culture Survey? Thank you!

The Edmunds Elementary School K-2 Fine Arts Night will be Thursday, May 11th. The event begins at 5:45pm with an art show on the first floor of EES. At 6:15 we will proceed to the EES gym for a community sing-along lead by our kindergarten, first and second graders. The event should be complete by 7:00pm.

Some children can get a bit nervous when performing. Research has shown that introducing the idea of "stage fright" can make this problem even bigger. If your child is expressing anxiety about performing, try reminding them that everyone's body gets extra energy when they have a big job to do. We can help our bodies use this energy to help our work by taking nice big breaths and wiggling our fingers and toes (or whole bodies) to spread the energy out throughout our bodies.

If you have questions about the Fine Arts Night event please reach out to Music teacher Betsy Nolan (enolan@bsdvt.org) or Art teacher Joanna Elliott (jelliott@bsdvt.org). We look forward to sharing our work with families and hope to see you there!
