A Message from
our Principal -
Kolby Snellenberger

Hello Families!

It truly takes a very special village to put on such a fun and amazing community event like Mayfair. I want to thank everyone who helped make my first Mayfair experience a great one. A special thanks to all the teachers and parents who generously gave their time to help at the bouncy houses, face painting station, bake goodies, grilling stations, set up and clean up and everything else that went into putting this event on. **You** are what makes this school so great! Thank you!!

In partnership,
Mr. Snellenberger

5th Grade Parent Information Night

May 31, 6:00-7:00 P.M - This is a wonderful opportunity for you as parents/guardians to connect with the EMS and HMS community and meet the administrators, school counselors and 6th grade teachers. If your child is going to EMS next year, attend the night at EMS, if your child is going to Hunt next year, attend the night at Hunt.

End of Year Help in the Art Room

The art room is looking for a few volunteers to help bind Kindergarten art books. No previous experience required, Mrs. Elliott can show the volunteer(s) how to use the book binding machine. Any amount of time, twenty minutes or an hour, on any day of next week, would be a huge help. Please email jelliott@bsdvt.org to let the art room know when you are available.

Native Garden Project

We are adding more plants to the Native Garden project on **May 31st from 4-5:30 pm** with kids, parents and staff from Afterschool. Join us if you want to learn more about the native plants going into Edmunds landscaping, get you hands dirty or support kids getting their hands digging in dirt. Happy Spring! Email Betsy if you have any questions- evhands@gmail.com
