

# FALL SESSION

SEPTEMBER - DECEMBER

## Program Updates

Welcome back! We start clubs on the week of 9/18!

Please make sure to sign out students at the front office each day.

If your student will be absent from a normally scheduled day let us know via text or email.

You can sign up via the QR code or the link sent to your email. Please sign up one student per form.

K students do not participate in session 1 clubs. They are already in K club!

**Sometimes students end up in a class that just isn't the right fit for them. We ask that all students try the class they are in for the first week. After trying the class we allow for a switch to a different class if space allows. We only do switches during the second week of the session. In an effort to maintain clear and accurate attendance sheets we are asking that kids limit their class switches.**
