Hello Edmunds Elementary families!

It seems like the blink of an eye when you brought your children to school for the first day in August and here we are ready to send them off for summer vacation! I want to end our school year with a deep appreciation for the EES community. Thank you to the EES PTO for the great breakfast treats last week! Faculty and staff were incredibly grateful for both the food and the acknowledgement of their hard work. And a huge thank you to the many volunteers who assisted the PTO in the End of School Year BBQ last Friday night. We are a lucky community to be so taken care so well by our families.

In partnership,
Kolby Snellenberger

Reminders!

Discover Jazz Festival

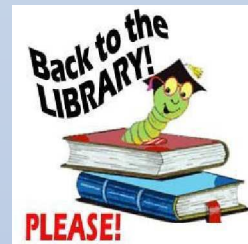

The 4th and 5th Grade Chorus students will be performing at the outdoor stage in front of City Hall on Church Street, Thursday, June 6 at 1:00 P.M. Family and friends are invited to watch the performance. In the event of rain, we will be moved to an indoor location TBD.

Flower Ceremony

If you were able to join us at the start of the year, you may recall the 5th graders presenting the incoming kindergartens with a "welcome" pencil; Wednesday's assembly will be the opposite of this! Our kindergarten scholars will be presenting each 5th grade graduate with a flower. This is a very special and sweet assembly you won't want to miss.

Calling All Library Books!

It's that time of the year where the library is looking for all books to be returned. Our last day for student checkouts was May 24th. We asked that students return books no later than last Friday. We sent home reminders with students so, if you're not sure if your child has a book or not, please look for those reminders in their backpacks. Thank you for your help in getting our books back to us.

Report Cards & Class Placement

We will be sending home report cards when your child comes to school on June 12th for their “Last Day”. Our teachers along with guidance, special educators, EL staff and our Unified Arts teachers have taken great care and consideration in creating classrooms that offer each student their best chance for success in the coming school year. There may be some adjustments to classroom rosters in the first weeks of school to make ensure that the students are well served. Students will receive placement information in August.

Accessing Report Cards Electronically!

Did you know you can access your child's report through the PowerSchool Parent Portal? The ability to view student's report cards will become available once the report cards have been processed at the school. [Click here to learn how.](#)

Step Up Day is June 12th

On Wednesday, June 12th EES students will take part in Step-Up day. This is a traditional-end-year event where students visit their new grade level team of teachers and classrooms. It is a very exciting time for students to see their new classrooms and hear all the great things that will happen next year. It is also a great opportunity for the teachers to begin building relationships with students.

Lost and Found Clean Out!

Please take a minute and check through the items located in our Lost & Found. We will keep some of the unclaimed windbreakers and fleece for those students who need them, but everything else will be donated to Goodwill on the last day of school. There are backpacks, lunchboxes, water bottles, boots, hats, mittens and more! The Lost and Found is just inside the door in the reception area of the main entrance.

Lost But Hoping to Be Found!

Lost Ring! One of our EES family members has lost a ring that is very special to her. The ring has a yellow gold band, with white gold on top in the shape of a pointed oval with antique carvings; there are no stones. A reward is being offered if found: 802-922-3177
