## A Message from Principal Snellenberger

Hello Edmunds Elementary Families!

I hope you are all adjusting to the time change as we "spring forward" today! With the days getting longer, we can feel the excitement of the approaching spring season.

Last week, we welcomed students back after February break, and it was wonderful to see their energy and enthusiasm as they settled back into learning. We also want to thank all of our families who participated in parent-teacher conferences. These meetings are such an important opportunity to connect, celebrate progress, and discuss ways to support our students' continued growth.

I also want to acknowledge and apologize for the multiple changes to our Fine Arts Nights. We truly appreciate your patience and understanding as we worked to finalize the schedule. We are thrilled to have these special events officially on the calendar again and hope you will join us to celebrate all of the incredible work our students have done in art and music.

Thank you for your continued support, and we look forward to seeing you at our upcoming events!

Warmly,

Kolby Snellenberger~ proud principal of EES!
